

ITS Advisory Committee Announcement

U.S. Transportation Secretary Ray LaHood has named the following candidates to serve on the Intelligent Transportation Systems (ITS) Advisory Committee, pursuant to Section 5305(h) of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU). The ITS Advisory Committee is charged with reviewing areas of ITS research being considered for funding by the Department and advising the Secretary on ITS aspects of the Department's strategic plan. The ITS Program is overseen by the Department's Research and Innovative Technology Administration (RITA). The Committee is expected to begin its work in the next month and the Department looks forward to future collaboration in enabling the vision of the ITS Research Program. For more information, contact Stephen Glasscock in the ITS Joint Program Office.
