

ITS Canada 2022

May 4-6, 2022

Windsor, Ontario Canada

*Bridging
Mobility
Corridors*

ITS Michigan Annual Meeting Oct 5, 2021

ITS Canada 2022 – 25th Anniversary Celebration 1997 - 2022

■ Our Vision:

■ We are the hub for mobility technologies

Mobility Technologies enable the safe, efficient, and reliable movement of goods and people. The Hub is the place where the needs of the Canadian transportation system connect with the ideas, technologies, and capabilities of our members. ITS Canada is the Hub where challenges meet solutions.

■ Our Mission:

■ Canada's transportation network enables the safe, efficient, and reliable movement of people and goods, and supports economic growth. We support mobility technologies through:

Championing the benefits	Fostering and promoting innovation
Integrating the expertise, products and services of our members	Enabling communication for learning and collaboration
